

# Single Sign-On (SSO) Participating Services for Students

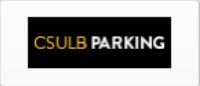

## SSO Services & Mobile App Access Instructions

Single Sign-On allows access to multiple campus services by logging in once at a single URL (<https://sso.csulb.edu>) using your campus user name and password (BeachID credentials).

Access is based on role (student, faculty, staff) and other factors such as approved access.

Below is a list of all available services offered to students in SSO, although users will only see those they have access to.

Service	Bookmark/Chicklet	Service Description	Service Owner	Questions?

## Single Sign-On Mobile App

Download the mobile SSO application from the vendor, Okta, at the [Google Play](#) or [Apple App store](#).

1. After downloading the SSO application to your mobile device, enter the following information to connect:

Site name: <https://csulb.okta.com>  
Username: nine-digit Campus ID  
Password: BeachID password

2. You'll be prompted to create a four digit PIN for security purposes.

## More Information

For more information on SSO, please visit [CSULB Single Sign-On Help & Brief FAQs](#).
