From: Paul Sorenson
Sent: Monday, March 19, 2018 9:20 AM

Summary

The fraudulent email claims that for security purposes, you must click on the link to check your login activity. CSULB never asks employees to click on a link to review login activity.

Intent of the Email

The phisher/sender is attempting to capture email account credentials for their own malicious purposes. The link goes to a page that is no longer accessible.
