Subject: Secure Message Alert!

Dear Barclay's Customer,

As part of Barclays online security ,we are glad to inform you that Barclays Bank has a new security system. The Updated technology will ensure that security payments through our banks will be more secure and safe. So we suggest you renew your Onling banking details.

Once you have renewed your records, your session will be refreshed and updated.

To update your Barclays online information please download the attached form.
Note: If we do not receive your account verification within 48hours, the account will be limited to certain features.

The purpose of this verification is to ensure that your online details is up to date with the new system we have in place and to combat fraud.
Please understand that this is a security measure intended to help protect you and your account.
We apologize for any inconvenience. Thank you for your attention to this matter.

Yours sincerely  Steven Roberts
