

Single Sign-On (SSO) Participating Services for Employees

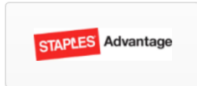

Single Sign-On allows access to multiple campus services by logging in once at a single URL (<https://sso.csulb.edu>) using your campus user name and password (BeachID credentials).

Access is based on role (student, faculty, staff) and other factors such as approved access.

Below is a list of available services offered in SSO for faculty and staff. **NOTE:** Users see buttons (tiles) only for those SSO-enabled services they are authorized to access.
