

# 2015-08-21 Unusual Login Attempt!

This is a phishing attempt first reported to CSULB ITS on **August 21, 2015**.

## Email Detail

**From:** "aljz884@outlook.com" <aljz884@outlook.com>  
**Sent:** Friday, August 21, 2015 at 4:33 PM  
**Subject:** Unusual Login Attempt!

## Summary

The user receives an email informing them of an unusual login attempt and provides a mysterious link with no instructions. The link goes to a fraudulent website attempting to collect email account password information. Recipients of this fraudulent email are advised to mark this as junk. We have notified the web host regarding the malicious use of their service and we anticipate the site will be removed within 48 hours of this post.

## Intent of the Email

The sender is attempting to collect password information to access email accounts for their own malicious purposes.
