

2016-04-21 Dear User.

This is a phishing attempt first reported to CSULB ITS on **April 21, 2016**.

From: Danila Korogodsky
Sent: Thursday 4/21/2016 9:57 PM
Subject: Dear User.

Summary

The email informs recipients to authenticate by clicking a link that takes them to a fake Outlook Web App page. The email is from a valid CSULB employee whose account has been compromised. You won't be able to block the message or send messages to junk as this account is a valid CSULB account. We have prevented this account from sending further emails and we have reported the abusive site to the web host. Please delete the message.

Intent of the Email

The sender is attempting to capture personal and account information for their own malicious purposes.
