

2014-09-18 California State University Important Notice

This is a phishing attempt first reported to CSULB ITS on **September 18, 2014**.

Email Detail

From: Andrew Vuoso or **From:** Jo Redmon
Sent: 9/18/2014 8:21 AM
Subject: California State University Important Notice

Summary

Email requests recipients click on a link to login to their account because the campus has supposedly upgraded servers. The link goes to a fraudulent page that looks like the CSULB OWA login page. This link has been blocked from on-campus users from accessing it while using the campus network.

Intent of the Email

The sender is intending to obtain personal account information for their own malicious purposes.
