

2015-04-13 Verify

This is a phishing attempt first reported to CSULB ITS on **April 13, 2015**.

Email Detail

From: Web Administrator [mailto:briabolt@outlook.com]
Sent: Monday, April 13, 2015 5:50 AM
Subject: Verify

Summary

The user receives a notification that their web mail is being improved with a system and to click on a link to proceed with updating to the new and improved system. The link takes the user to a fraudulent website which appears to already be removed by the website host company.

Intent of the Email

The sender is attempting to obtain BeachID account credentials for their own malicious purposes.
